RE: Hecla Consent Agreement - Docket  
UGW92-04

Dear Mr. Deisley:

Enclosed are two copies of the execution document for Hecla's signature with minor modifications as requested by Hecla and your suggested changes to the text. We are including mercury on the sampling list as the Hecla analysis found 0.0018 mg/l and the drinking water standard is 0.002 mg/l.

Please forward the agreement to Hecla. We are requesting they both be signed by an authorized company official and returned. After they are returned, we will issue a 30 day public notice of its contents. If you have any questions, call Mack Croft at 538-6146.

Sincerely,

Fred C. Pehrson, P.E., Manager
